Minister's License Application

Thank you for considering Casa D'Oro Ministries for your Minister's License. This purpose of this Minister's License is to create a covenant to practice your spiritual art, a safe "space" to give to yourself and your community.

Our Mission

This ministry is devoted to the physical, mental, spiritual education and well-being of individuals who are interested in acquiring a deeper understanding of themselves and their place in the universe, the implementation and use of materials and techniques that further the holistic approach, including the laying on of hands, clairvoyant readings, spiritual marriages, trance-medium healings, spirit-to-spirit communications and other methods of achieving physical, mental, and spiritual health as a whole human being.

Ceremonies

When you perform ceremonies, some states may require the Minister to retain a Minister's License to have the ceremony recognized by the State or County, this license will fulfill that requirement. Even though the trustees of Casa D'Oro feel "Government recognition" may not be how god intended to validate a marriage, there are some couples that feel comfortable with the Government licensing procedure. For couples who *do not* feel comfortable with the Government licensing procedure, Casa D'Oro Ministries can provide a marriage certificate that will suffice as legal evidence that a ceremony did occur. Please request this certificate Prior to the ceremony as it must be signed and dated at the event, a \$60 certificate fee will apply.

Renewal and term

Your license/membership will remain in effect for one year, renewable annually. The first year membership fees are \$170; every additional year is \$85. If you allow your annual membership to lapse over 30 days, the renewal will be \$150. If you are performing ministerial services, and we receive an inquiry, we will confirm that you are properly licensed to be performing those services *as long as you are current*. You will be sent a courtesy notice 45 days prior to your renewal date. Longer-term membership is available, see page 2.

We are here to support you!

Each licensing year *includes* a spiritual counseling on any topic of your choice. Additional counselings may require a donation. We would like nothing more than to see you succeed and prosper with your ministry, if you have questions, comments, suggestions, or want to schedule your spiritual counseling, please contact us.
